

## FIRE DEPARTMENT IN GOOD CONDITION

Commissioners Elect Officers  
and Privates for En-  
suing Year.

### NEW SCHOOL IN DINWIDDIE

Sixty-five Veterans Will Make  
Trip to Spring-  
field.

Times-Dispatch Bureau,  
109 North Sycamore Street,  
Petersburg, Va., June 22.

A meeting of the Fire Commission-  
ers was held last night and officers  
and privates of the department were  
elected for the term beginning July 1.  
Captain Edgar V. Farley was re-elected  
chief; F. H. Harrison, captain of the  
force at East Street Station; W. T.  
Miller, captain at the Halifax Street  
Station; and W. H. Thayer, captain at  
the South Street Station. All the privates  
were re-elected, and only one new  
man was put on, to fill a vacancy.  
The Fire Department is composed of  
a chief, three captains and eighteen  
privates. It is a thoroughly equipped,  
effective body of men, and has made a  
splendid record. The commissioners ex-  
press themselves as highly satisfied  
with the efficiency of the force, and  
therefore re-elected the body from  
chief down. The annual loss by fire in  
Petersburg is very small, due in large  
measure to the promptness and good  
work of the department.

**Election of School Trustees.**  
At a meeting of the Board of School  
Trustees of Dinwiddie county yester-  
day Joseph Wood was elected a mem-  
ber to fill the unexpired term of R. S.  
Lockett, of River District, who has re-  
moved from the county, and W. H. Ad-  
ams was elected to fill the unexpired  
term of J. P. Burrow, deceased.  
The county has begun the erection  
of a fine high school building at Dis-  
putanta, at a cost of between \$5,000  
and \$5,500. This building is expected  
to be completed this summer.

**Veterans to Springfield.**  
When A. P. Hill came of Confederate  
Veterans some time ago accepted the  
invitation of E. K. Wilcox Post, G.  
A. R., of Springfield, Mass., to visit  
that city as their guests and join  
with the Grand Army men in the cele-  
bration of July 4, the National In-  
dependence Day, it was thought that  
probably not more than fifteen or  
twenty of the veterans would be able  
to make the trip. But the cordial and  
friendly spirit of the invitation created  
interest that spread through the  
camp, until last night the number who  
will go was increased to sixty-five, and  
this number may be still further in-  
creased.

The camp will leave on the evening  
of July 1 for Norfolk, where the mem-  
bers will take the Old Dominion Line  
Steamship for New York. There they  
will be met by a delegation of Wilcox  
Post and escorted to Springfield.  
The veterans will wear the Confederate  
uniform, as they are invited to do, and  
will take the camp drum corps with  
them.

**General News in Brief.**  
The Chamber of Commerce has re-  
quested the census office at Washing-  
ton, to furnish information as early  
as possible of the population of Pe-  
tersburg as shown by the recent cen-  
sus. Director Durand has replied that  
information is not yet available,  
but will be furnished as soon as ready  
for distribution.

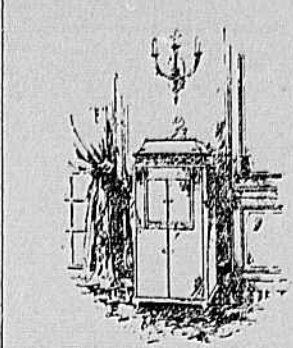

A slight fire occurred in the shavings  
room of the plant of the Petersburg  
Building Supply Company, on Market  
Street, this morning, caused by a  
candle. The fire was quickly extin-  
guished, and no damage was done.

At a meeting of citizens of Din-  
widdie and members who practice in  
the county court, held at the residence  
of the late Albert M. Orgain, for nearly  
half a century the clerk of the county  
court, were adopted, after addresses by  
Chas. T. Lasher and A. T. Powell.  
These resolutions were subsequently  
presented to the court and ordered to  
be spread on the records.

The Petersburg Grays are making  
preparations to go to Gettysburg on  
July 1, where they will participate in  
the centennial of the battle of Gettysburg.  
The company will be under the com-  
mand of Capt. W. H. Thayer, and will  
camp for ten days. The company  
expects to carry full ranks.

The Petersburg Benevolent Mechan-  
ics Association expects to have ready  
this week for the public the plans  
and specifications for its new seven-  
story office building, to be erected at

the corner of Sycamore and West Tabb  
Streets.  
Mrs. Alden Dunn and her daughters,  
Misses Jennie and Mary, of Scotland  
Neck, N. C., are visiting relatives in  
this city.

Wallace, the fifteen-year-old son of  
Mr. and Mrs. Matland, on Pearl Street,  
has not been seen since Monday morn-  
ing, and his parents are uneasy about  
him.  
Mrs. J. A. Mathewson, who recently  
underwent a surgical operation at the  
hospital, returned to her home on  
Dunlop Street last evening, much im-  
proved.

### DAMAGE TO CROPS.

**Part of Losses Will Be Retrieved by  
Replanting New School House.**  
[Special to The Times-Dispatch.]  
Carysbrook, Va., June 22.—Close  
analysis of the crop damage on the  
Rivanna River, since the subsidence of  
the flood, shows about 30 per cent.  
damage. Some of this should be re-  
trieved by the replanting of early ma-  
turing varieties of corn, or the sowing  
of millet. As to corn, the best method  
used in this neighborhood is to open  
furrows with a one-horse plow, run-  
ning behind that with a single row  
planter; immediately after the plant-  
ing is finished, work the planted rows  
with ordinary cultivating tools, pre-  
ferably a disc cultivator. A second  
working after the corn gets up is gen-  
erally sufficient to insure a good crop.

Cumberland and Fluvanna counties  
will meet here on the 25th with their  
representative baseball teams. Carys-  
brook is for Fluvanna, and Carters-  
ville for Cumberland. There will be  
several games here between local  
county teams and the Richmond Y. M.  
C. A. boys, who will soon be in camp  
here.

The county is beginning the erec-  
tion near Carysbrook Station of a new  
public school, a good portion of which  
is to be of concrete construction.

### THOMAS TILGEL BEGINS.

**Charged in Indictment With Shooting  
Harry Munroe.**  
[Special to The Times-Dispatch.]  
Hampton, Va., June 22.—Wise Thom-  
as was today placed on trial in the  
Circuit Court here on an indictment  
charging him with shooting Harry  
Munroe, of Portsmouth, in Hampton  
last March. Thomas is alleged to have  
sneaked up behind Munroe in the  
darkness and fired upon him, through  
jealousy. Thomas was, it is claimed,  
in love with Alice Knewstap, who se-  
cretly married Munroe in Portsmouth  
last August, but came here to live  
without announcing the wedding.

Mrs. Munroe was the star witness  
today. She said that on the night  
before the shooting Thomas told her  
"he could shoot Munroe as easily as  
looking at him, and that Munroe would  
never take her out of Hampton." Thomas  
also, said the witness, "begged  
me to let him kill me, so that he  
could then commit suicide, and both of  
us would die." The case will consume  
a day or two.

### INDICTMENTS RETURNED.

**Action of Grand Jury in Federal Court  
at Roanoke.**  
[Special to The Times-Dispatch.]  
Roanoke, Va., June 22.—The fol-  
lowing indictments were returned by  
the Federal grand jury today, and  
Judge McDowell took up the cases:  
Retailing, plea of guilty, \$100 fine and  
thirty days in jail; Will Redd, Wise  
county, retailing, plea of guilty, \$100  
fine and thirty days in jail; William  
Williams, Wise county, retailing, plea  
of guilty, \$100 fine and thirty days in  
jail; Charles Conner, Floyd county, re-  
tailing, plea of guilty, \$100 fine and  
thirty days in jail; George J. Smith,  
Floyd county, illicit distilling, plea  
of guilty, \$100 fine and thirty days in  
jail; Stephen Shupe, Lee county, re-  
tailing, plea of guilty, \$100 fine and  
thirty days in jail; Morgan Wynne,  
Lee county, retailing, \$100 fine and  
thirty days in jail; George J. Smith,  
Floyd county, illicit distilling, plea  
of guilty, \$100 fine and thirty days in  
jail; Charles Conner, Floyd county, re-  
tailing, plea of guilty, \$100 fine and  
thirty days in jail.

## V. M. I. GRADUATES RECEIVE DIPLOMAS

Final Exercises Held in Stone-  
wall Jackson Memorial  
Hall.

### GOVERNOR MAKES ADDRESS

Sir Moses Ezekiel Presents Jack-  
son-Hoppe Medals to  
Winners.

[Special to The Times-Dispatch.]  
Lexington, Va., June 22.—The gradu-  
ating exercises at the Virginia Military  
Institute were held this morning in the  
Stonewall Jackson Memorial Hall, be-  
ginning at 11 o'clock. Thirty-eight  
full graduates were given diplomas, the  
first five being declared distinguished  
graduates, and nine members of the  
graduating class received the degree  
of bachelor of science. The first two  
graduates were awarded the first and  
second Jackson-Hoppe medals, respec-  
tively.

**Declares Notice of Candidacy Is  
Filed Within Time  
Limit.**

[Special to The Times-Dispatch.]  
Suffolk, Va., June 22.—Though Col-  
onel C. Fenton Day, of Smithfield,  
Democratic State chairman, had not  
received notice up to 7 o'clock this  
evening that J. Peter Holland, of  
Franklin, would be a candidate for  
Congress, the latter declared at his  
home in Franklin tonight that he had  
filed a formal telegraphic notice to  
Colonel Day prior to 4 o'clock.  
The prescribed time limit for con-  
gressional entries expired at 6 o'clock  
today, at which time only the notices  
of Representative Maynard and Wil-  
liam A. Young had been received. Hol-  
land claims the filing of his telegram  
before 4 o'clock will insure his name  
being on the ticket, though he is of  
the opinion that to-morrow is the last  
day.

In case Holland is refused admis-  
sance because of the non-receipt of  
his telegram his elimination would  
favor the chances of Maynard. Hol-  
land is not worried, and says he will do  
his best to land the nomination. The  
vote which Holland will carry comes  
more largely from Maynard territory.  
The situation is complicated, but an  
unbiased forecast indicates Maynard's  
nomination.

### DAMAGE BY STORM.

**Residence Blown Down and Trees Up-  
rooted at Virginia.**  
[Special to The Times-Dispatch.]  
Virginia, Va., June 22.—The worst  
storm in twenty years struck this town  
about 7 o'clock last night. For a  
couple of hours the thunder and light-  
ning were terrific. The new residence  
which Mrs. Flora E. Tuck is erecting on  
Seventh Street was blown from the  
foundation and will have to be rebuilt.  
Trees were blown down in every direc-  
tion. A large oak, which had marked  
the line between Virginia and North  
Carolina for generations, was blown  
down, but fell in the only direction in  
which it could fall without striking  
some building. The rain came down  
in torrents and gardens are complet-  
ely ruined. Wheat is laying flat on the  
ground. Luckily the storm did not ex-  
tend very far, being not over two miles  
square.

### MEET AT WRIGHTSVILLE.

**Annual Session of North Carolina Bank-  
ers' Association.**  
[Special to The Times-Dispatch.]  
Wrightsville, N. C., June 22.—The  
fourteenth annual convention of the  
North Carolina Bankers' Association  
began at Wrightsville Beach tonight.  
The attendance is large.

The session to-night was devoted to  
addresses of the officers, and was followed  
by a big reception at the Seashore Hotel.  
The address of President John O. El-  
lington, of Fayetteville, called for a  
number of reforms. The principal ones  
were for uniform bills of lading and  
ware house receipts and more equity  
in taxing bank stock, which he de-  
clared is discriminated against, being  
taxed in full, while real estate and  
other property are seldom taxed as  
one-third their value. He also ad-  
vocated an increase of the minimum  
capitalization for State banks and  
urged that the Legislature increase  
such from \$5,000 to \$10,000.

### IS MUCH IMPROVED.

**Senator Daniel Free from Fever and  
Recovers from Illness of Mind.**  
[Special to The Times-Dispatch.]  
Lynchburg, Va., June 22.—The ill-  
ness of Senator Daniel, of this city, has  
been much improved, and he is now  
able to leave his room. He has been  
suffering from fever most all the time for  
the past twenty-four hours, and has re-  
covered from the delirium of mind that  
attended the elevation of his tempera-  
ture. I have not had the opportunity  
to talk to him very much to-day, and  
was prevented from doing so this  
evening on account of finding him  
asleep. His condition is much im-  
proved, and he is now able to leave his  
room. He has been suffering from fever  
most all the time for the past twenty-  
four hours, and has recovered from the  
delirium of mind that attended the ele-  
vation of his temperature. I have not  
had the opportunity to talk to him very  
much to-day, and was prevented from  
doing so this evening on account of find-  
ing him asleep. His condition is much  
improved, and he is now able to leave  
his room. He has been suffering from  
fever most all the time for the past  
twenty-four hours, and has recovered  
from the delirium of mind that at-  
tended the elevation of his tempera-  
ture.

**Development Company Organized.**  
[Special to The Times-Dispatch.]  
Wadeboro, Va., June 22.—The Devel-  
opment Company, with an au-  
thorized capital stock of \$100,000, was  
organized here today for the purpose  
of doing a general business in real  
estate and insurance. The company will  
hold the general agency for a number  
of well known life, fire, health and  
accident and bonding insurance companies,  
and has secured the services of W. C.  
Long as general manager.

**Pitch Plant Destroyed.**  
[Special to The Times-Dispatch.]  
Norfolk, Va., June 22.—The pitch  
plant of the City Gas Company, a  
wooden shell, and more than 10,000  
gallons of pitch and pitch resin were  
destroyed by fire early this morning.  
The fire was due to a leaking pipe,  
and for a little time the main plant  
of the company was endangered. The  
total damage will not exceed \$2,000.

**Overman Will Preside.**  
[Special to The Times-Dispatch.]  
Winston-Salem, N. C., June 22.—State  
Chairman Eller named Senator Lee S.  
Overman temporary presiding officer  
of the Democratic State Convention in  
Charlotte July 14. Senator Overman  
will make the keynote speech, out-  
lining the 1910 campaign.

**Plants for School Children.**  
[Special to The Times-Dispatch.]  
Lynchburg, Va., June 22.—Four  
thousand noted plants will be dis-  
tributed by the Municipal Park and  
Forestry Board to the school children of  
this city. This is an annual event,  
much looked forward to by the chil-  
dren of the city.

**Date for Coronation.**  
London, June 22.—It has practically  
been arranged that the coronation of  
King George will take place about the  
middle of May. It is immediately af-  
ter this ceremony the Duke of Con-  
naught will proceed to Canada, to as-  
sume the office of Governor-General.

**Suit Against Government for Loss of  
Chartered Launch.**  
Norfolk, Va., June 22.—In a suit by  
John B. Kimberly, postmaster at Port  
Monroe, against the government to re-  
cover for the loss by fire of a launch  
chartered by Kimberly to the Federal  
quarantine in Hampton Roads, United  
States Judge Waddill decided late to-  
day that the government was not an  
insurer for the safe return of the boat,  
but that on account of negligent acts  
of its employees, resulting in the burn-  
ing of the launch, Kimberly was en-  
titled to its actual value—\$500 of the  
\$1,600 sued for.

### Candidate of Anti-Browlow Faction.

[Special to The Times-Dispatch.]  
Bristol, Tenn., June 22.—The com-  
mittee representing the anti-Browlow  
faction of the Republicans in the First  
Tennessee circuit to-day named Major  
Paul E. Divine, former treasurer of  
the National Soldiers' Home at John-  
son City, to oppose David A. Vines, the  
Browlow nominee, for State's Attor-  
ney. The Democrats have not yet made  
a nomination.

### AMUSEMENTS.

**Academy—Benjamin Players.**  
Bijou—Vaudeville.

### "Rosemary" Draws Crowds.

If the goodness or badness of a play  
and the manner in which that play is  
presented is to be determined by the  
satisfaction with which it is received  
by the people who pay their money  
to see and hear, then "Rosemary" is  
by far the best thing that the Benjamin  
Players have done since that organiza-  
tion came to Richmond. Each night  
the crowds have increased in size, and  
from a box office standpoint "Rose-  
mary" has measured up to all that  
it is capable of. More important  
than that, however, is the fact that all  
who have come have enjoyed, and, en-  
joying, have told their friends, so  
that they, too, might enjoy. As a mat-  
ter of fact, "Rosemary" is not a play;  
it is simply the story of the strong  
love of a strong man—a man strong  
enough to condemn himself to a life of  
celibacy rather than do a dishonor-  
able act. Thus it is that "Rosemary"  
thrives.

### Walkout at Bijou.

George E. Kufer and wife, the long  
distance pedestrians, who are now on  
the last 2,000 miles of their 16,000-mile  
jaunt for a wage of \$4,000, will ap-  
pear to-night at the Bijou Theatre as

special attraction at each of the per-  
formances.

Kufer is something of an imitator and  
impersonator, as well as a musician,  
and while he will do some of this  
work for the benefit of Richmonders,  
he will devote most of his time at each  
show to telling of his experiences  
while traveling 14,000 miles of America.  
Out in Ohio he found a wife, and  
thirty minutes after he met her they  
were married, she agreeing to finish  
the rest of the tramp with him.

As the Kuferes cannot ask for aid or  
money, the man having agreed to  
finish the tramp and live on what was  
offered to him, without asking or even  
suggesting, naturally they have been  
up against it, so to speak. While  
Richmonders have been extremely kind  
to them, they start to-morrow on their  
long trip to New York, and will have  
out funds. In order to help them on  
their way, the management of the  
Bijou made a proposition to Kufer to  
finish the story to-night, which was read-  
ily accepted.
